

Congratulations!

The Variety International Film Awards committee has selected you for the shortlist in the “Best Independent Artists from Around the World” Category for the First Edition of an event that we are proud to describe as truly exceptional!

The Variety International Film Awards were created to build a bridge between independent cinema and the entertainment industry. We are honored to have been selected to pre-screen some of the most outstanding voices from the arthouse circuit, and we are delighted that our proposal to include you in the shortlist has been accepted!

The winners will be announced on November 14 and will also have the opportunity to receive a review of their work bearing the prestigious Variety IFA name, as well as the chance to be part of our upcoming partnership with Variety Magazine.

We are building the world’s largest film movement.

Thank you for your support.

As a complimentary recognition, you will receive the official laurel certifying your selection for the shortlist of the inaugural Variety International Film Awards!

Thank you, and kind regards,
